...ele factory should be a farm.  
 ...course, the gas stations will be  
 ...ss stations, which offers plenty of  
 ...esh grasses instead of nasty oils that  
 ...orings a lot of critical problems to our  
 ...environment. The best thoroughbreds  
 ...should be ridden in behalf of police  
 ...cars. The most powerful cows should  
 ...be used in behalf of fire engines.  
 ...However, cows are arrived to the  
 ...face in fire it would be burned up

 ...something, there should be one who  
 ...will be the victim of it. This is the  
 ...nature of the circle of life and the way  
 ...it is. They will probably accuse me as  
 ...an animal abuser, even though I do  
 ...not mean it. even though I do not  
 ...mean it.

Best regards, Richard Horse  
 I would like to insist, produce and progress  
 the abandonment of vehicles on whole
